

# QUALITY-BUILT™

**black series brake pads**  
**plaquettes de frein de la série black**  
**balatas de la serie black**

Quality-Built Black Series Brake Pads are the ultimate in brake pad performance, delivering smooth, reliable stopping with zero noise and low dust. Black Series friction compounds are engineered to optimize brake system performance and improve stopping power.

- Application-specific friction material
- Enhanced friction formulations for improved performance & durability
- Ultra-low dust, low noise friction formulas
- Multi-layer shims
- OE design slots and chamfers
- OE-style stainless steel hardware where required
- Precision cut backing plates for hassle-free installation
- Post cured and scorched for easy bed-in
- Copper-free 2025 compliant formulations
- Part number sequence starts with 1003 prefix
- Over 1800 SKUs for 99% light-duty VIO coverage
